Synopsis

These are the memoirs of Cisco Fernandes. He dove into a swimming pool on June 17, 2000 and broke his neck leaving him a quadriplegic. Although his body was broken, his spirit soared. The Simplicity Of Life is the observations, feelings and occurances that this disability has shown him. When life slows down, you realize the simple things in life are all that truly matter. Through this compelling and intimate story you learn of the struggles after a tragic accident and the triumph over disability. When the smoke clears you can see a true love story full of hope and the ability to see..... The Simplicity Of Life.

Customer Reviews

Amazing book about the overcoming of unexpected life struggles. Glad I get to live in the same lifetime as these people.
