Synopsis

The Banjo Encyclopedia is a comprehensive, in-depth banjo instructional tool that covers the many intricacies of bluegrass banjo playing, including numerous topics that may have been overlooked in banjo instruction to date. The Banjo Encyclopedia can take a student from the beginning, to intermediate, and right through to more advanced styles of banjo playing. Ross Nickerson uses his many years of experience helping hundreds of aspiring banjo pickers by offering the banjo student an opportunity to learn in a practical, straightforward manner. This wide-ranging banjo instructional book will focus on many techniques that will help every aspect of a banjo playerÃ¢â ¬â„¢s musicianship while simplifying many subjects in the learning process. The 99-track audio recording will enable the student to learn easily by hearing author Ross Nickerson demonstrate each song, and perform many of the banjo licks and phrases included in the book slow, and up to tempo. The audio recording also includes an advanced song section with a full bluegrass band accompanying Ross along with additional intermediate songs for the student to learn. The Banjo Encyclopedia is undoubtedly one of the most complete five-string banjo books on the market today and a must for every banjo playerÃ¢â ¬â„¢s collection. Audio download available online.

Customer Reviews

This is by far the best banjo instruction book I have found in several years of lookingRoss Nickerson has gone to a lot of trouble to explain all the techniques in a clear consise mannerHis section on the

rolls is superb and he takes you along with him through the book by gradually increasing thecomplexity of the exercises and songsI have learned more from this book (and my playing has improved more) in the past month than the past 18 months ofwading through other books and skype lessons. Even my wife noticed and I am now allowed to practice in the living room! Well done Ross, I hope its a best seller- Richard Climie

Kindle version is decent. However, I cannot find the online audio while using a kindle fire hd.

Easy to follow and learn.
