I love this book. Best tunes and so much fun

i will come next time . my neighbor love it, fast and in time. It’s a sharp and a very nice Chef product.

low price.

My son loves this book. He is in his 3rd year with learning the trombone. I enjoy hearing him play from this book!

It’s an OK book, but is definitely more suited for the Beginner/Intermediate High School band level. It could use more theory and the tempo could be picked up a fair bit. The CD worked well.
