In the 1830s and early 1840s, Baptist preacher William Miller gained thousands of followers when he announced that the world would come to an end in 1843. He was adept at parlaying his message through books and copious pamphlets, and plied his audiences with detailed prophecy charts, mathematical tables and timelines. A century and a half later, Left Behind pedagogue Tim LaHaye (writing with Thomas Ice) seems to take a leaf from Miller's book in issuing Charting the End Times: A Visual Guide to Understanding Bible Prophecy. It has charts, illustrations and maps!.Its glossy, full-color format is light-years beyond Miller's, but the prophecy content is much the same. (Unlike Miller, LaHaye rather wisely does not set a projected date for Christ's return.) (Harvest House, $24.99 144p ISBN 0-7369-0138-8; Nov.)Copyright 2001 Cahners Business Information, Inc.

a MUST read for followers of our living LORD Jesus Christ and especially for those who do not know the Lamb of God and how any day now the Light of the World will gather His own flock in the air at the sound of a trumpet, "At that time the sign of the Son of Man will appear in the sky, and all the nations of the earth will mourn. They will see the Son of Man coming on the clouds of the sky, with power and great glory. And He will send His angels with a loud trumpet call, and they will gather His elect from the four winds, from one end of the heavens to the other." Matthew 24:30 ~

What a wonderful graphic representation of the end times as presented in God’s Perfect Inspired Word, the King James Bible. This publication is one that all sinners should get hold of and study. It is future history as described by our Holy Father in Heaven, the Creator of the Universe and the designer of Man in his own image.

This book is absolutely fabulous. It is a great ’starter’ book for new Christians but also a great reminder for all. This is the history of our world, the present, and the future. God has given us His Word to guide us and the book is great about breaking it all out.

It has an excellent chart in it on the pre tribulation rapture viewpoint a very informative book when it comes to bible prophecy I do recommend this book it establishes well that the pre tribulation rapture view is true without a doubt this is a good book i highly recommend it for people who want to understand The Book of Revelation

We need to understand the in depth principles and end times of the Holy Christian Bible and Tim LaHaye teaches it wonderfully true to Jesus Christ’s Holy Word. He is a true and faithful servant of our Lord and Saviour and Most High God- Jesus Christ - the only King!

A great help in teaching about end times. I especially liked the DVD that come with it.

Super read and study

very interesting read. The charts make it easier to understand.
