These Bible study tools are designed to make the original languages of the Bible accessible to every student of the Word of God. This has been so very helpful and really makes our bible study time a sweet time. DIG IN!!! God's Word is True!!

Very good beginner to intermediate lexicon for those who donÃƒÂ¢Ã â ¬Ã â„¢t read any Greek.

For anyone studying Hebrew, this is awesome. And I find myself just reading it for HOURS, long after I found the word I was searching for, although it provides a comprehensive word study. It's just really INTERESTING !

excellent resource for Bible study

knowledge

This is part of a set, New Testament bible with numbers over every word and this is the dictionary to look up those numbers to explain in detail the use and meaning of that word. Excellent bible tool for studying.

Great in-depth Hebrew dictionary that adds so much more than the regular key word bible offers in the back of the bible. Recommend with the Hebrew-Greek Key Word Study Bible by Dr. Spiros Zodhiates & Baker.
