It’s simple enough to understand and read... I purchased this for my boyfriend and now father of my son, because our kids will be speaking both english and spanish and it’s helped him brush up on his spanish pretty decently; not to mention it was sold a fair price.

Really helped with my Spanish classes!

The Webster’s Spanish-English Dictionary for Students was intended as a gift for my granddaughter who is learning Spanish. She was excited.

Having a print dictionary does wonders. Also you get plenty of words to look up and their alternative

forms and idioms.

This book is fantastic and often used at home.

Fantastic for my daughter and her advanced Spanish immersion experience.

Excellent! Item was delivered on time and as advertised.

My son is in the 5th grade at an International school where his day is spent in Spanish. He has only been in the school three years and while he is excelling, this dictionary is very helpful to him. His teacher is from Argentina and was happy to receive the copy I ordered for her at the same time; she recommended it to me in the first place.
