Kindergarten-Grade 2. Franklin the turtle is having a horrible day. He usually loves winter, but today he is grumpy, cranky, and unhappy. Bear and Franklin go out to play together, but nothing they do is fun. They miss their good friend Otter, who has moved away. When the pouting turtle returns home, he is angry and sad until his father suggests that he write or call Otter. Franklin spends the rest of the day making a scrapbook to send to her, full of drawings and a dozen self-addressed envelopes. This is a well-told story about overcoming a difficult situation. In the colorful cartoon illustrations, Franklin’s facial expressions help to convey his changing moods and emotions, from frustration and sadness to satisfaction. Fans of Franklin’s earlier adventures and children who have had a friend move away will enjoy this book.?Elisabeth Palmer Abarbanel, Los Angeles Public LibraryCopyright 1997 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

My grandaughter loves Franklin. This is about a friend moving away and Franklin's feelings about it. Great story

O.k. Except for way he talked at first to parents. Will use it in school dealing with feelings.

Good book about how to deal with friends leaving.

My grand son loved it. It was in good condition and I received it quickly.

Nice!

I purchased this book to use in therapy with children. It's a great illustration of how kids may feel when they are having a bad day, in addition to providing kids with ways to handle bad feelings. Definitely recommended for therapy or as a general children's book!

Franklin the Turtle acts out in this early reader book .What I like about it is the reader doesn't know at first the reason for Franklin's behaviour;it is helpful to show children how we behave when we are sad and have trouble processing sad emotions.It sometimes takes a while to talk about things,and let them out.

My 4 year old niece loves the Franklin books! So far I have been happy with all of the Franklin books I have.
