A gift for my grandson

Really really really like it!

i wish those books would download faster! i wish i could buy some more books but my mom only would allow me to buy 10 books a month. i've been waiting some time! these books are sooo interesting.i just started reading the angry alex books! if the books my mlm also lets me buy them. i think reviews are sort of cool. you can make new readers see and tell them a little about it. i wanted to read the herobrine's child exept for i had to use money so i didnt really want to buy it.P.S this is my mom's acount

thx so much for putting my name in the reviewers list! i is so happy!{ ~ ~ }{ ____}ur books are so amazing plz make angry alex book five soon suggestion:steve and alex drag herobrine to a lava pool put a bed facing upside down on the lava pool, wait till night time and tie herobrine to the bed. then, when herobrine is forced to go to sleep in the bed, they remove the rope. then herobrine keeps dying and respawning and falling and dying and respawning and while he is dying and respawning they work out a deal with herobrin to get him to go away

So in this book Alex mines for a little bit and then Steve gets depresed farming so they switch jobs again and Alex is right back where she was in the first book. She does more failong attempts to kill Steve and her evil laugh sounds like a donkey and acctually attracts them. Steve is being really proud and anoying and selfish and ungrateful and I can see why Alex wants to get rid of him. But could you make him nicer in the future cuz hes really being a jerk right now. So overall great book, funny, and Steve really needs to fall in a hole!

I like that Alex tries to kill Steve again but she always fails. I kind of feel bad for Alex.

All I can tell you is this book is awesome. From Skulls4life
