Wonderful little book.

The message is fine, but just because something has rhyme does not mean that it has meter. The meter on this series of books is not consistent, and the way the words are laid out on the page is not the rhythm in which they need to be said. Therefore the "poetry" of the words does not flow. The message of the book is good, but the lack of flow makes it difficult to read out loud. It would have been better if the forced rhyme had been left out and it was just written in free verse.

At the end of a long day, we sometimes need a reminder of how much God loves us. When the kids are screaming or when Mommy is grumbling it can be hard to remember that. ÃƒÂ¢Ã â ¬Ã Å“God Loves Mommy & MeÃƒÂ¢Ã â ¬Ã Â• is a beautiful childrenÃƒÂ¢Ã â ¬Ã â„¢s story about how God shows how much he loves us in the little everyday moments.ÃƒÂ¢Ã â ¬Ã Å“God Loves Mommy & MeÃƒÂ¢Ã â ¬Ã Â• is beautiful story that celebrates the love between a mother and her child, and the God who loves them both. It is a gentle reminder to parents and children of how much they are loved.I love how the author, Bonnie Rickner Jensen, has taken the little everyday moments to show how much God loves us. Each moment is something that my children can relate to. One of our favourite things to do in the springtime is to blow the dandelion fluff, the story reminded us that itÃƒÂ¢Ã â ¬Ã â„¢s one of the ways that God shows us how much he loves us.The story is full more great moments to share with your little one. All to often when it rains we become grumpy and upset. I love that the story shows the Mommy Bunny playing in the mud puddles with her little ones. It shows that God even sends the rain to show us that he loves us. Playing in the puddles at the campground is one of the things we do when it rains. People always look at us funny, but we still splish, splash and splosh. ÃƒÂ¢Ã â ¬Ã Å“God Loves Mommy & MeÃƒÂ¢Ã â ¬Ã Â• reminds me that I need to cherish these moments with my children.The illustrations by Laura Watkins, are beautiful. They are soft and have a comforting feel to them, absolutely perfect for bedtime. The characters are adorable, you can see the love that the mother rabbit has for her little one in every page. I love the expressions of Mommy and Little Bunny when they are playing on the slide. You can see the fear in Little BunnyÃƒÂ¢Ã â ¬Ã â„¢s eyes, and the look of encouragement on Mommy BunnyÃƒÂ¢Ã â ¬Ã â„¢s face.ÃƒÂ¢Ã â ¬Ã Å“God Loves Mommy & MeÃƒÂ¢Ã â ¬Ã Â• is a wonderful story to share with your children at bedtime, or anytime, to show them the special ways that God and Mommy love them. All opinions are 100% my own.

The illustrations in this book are soft and sweet, with the text falling in different areas on the pages.

Most of the activities talk about outdoor adventures, which is nice. I like that these are two separate books (one for Daddy, one for Mommy). It would have been easy to put them into one; however, that wouldnÃƒÂ¢Ã â ¬Ã â„¢t represent all families. This way, parents may choose the book(s) that are the best fit for their family. I received this from the Tommy Mommy program. Opinions shared are mine.

God Loves Mommy and Me is an adorable board book that uses fun rhyme and sweet illustrations to give a wonderful message of love and worth to its readers. This delightful book shows illustrations of a mommy bunny and her little bunny sharing the day's adventures together. It is a warmhearted tale about the tenderness of a mother's affection toward their child and how God loves them too.What We Thought:This lovely family-friendly bedtime story is a great book to snuggle up with your little ones with. We love the illustrations by Laura Watkins. They are just darling with fluffy, cuddly looking bunnies and a duckling that is little bunny's friend. The mommy and little rabbit go through the book picking flowers, kissing owies, splashing in the rain, swinging on a tire swing, hugging, walking in nature hand in hand, praying, and tucking in bed, etc. The relationship of the mother with the little bunny is beautiful. This book has a wonderful message and the author, Bonnie Rickner Jensen, weaves this message of Mother's and God's love for us throughout the book. Each moment shown is something that children can relate to and are great to share together with Parents and caretakers.I recommend this board book for toddlers, preschoolers, and kindergartners. My youngest daughter, Zari, who is in kindergarten loves this book! It is the perfect size for little hands to hold and the sturdy pages are less vulnerable to tearing. She is learning to read and it has the perfect amount of words on each page for her. She also loves looking at the cute illustrations as well.This book celebrates the loving bond of a mother with her precious child and the God who loves them all. It is a great reminder of the God's love for everyone. We cherish this book and its message of family. It would be a perfect gift for Easter or Mother's Day.I received a free copy of this product from FrontGate Blogger Network in exchange for my honest review.
