Average Customer Review: 3.2 out of 5 stars 3 customer reviews

Best Sellers Rank: #558,221 in Books (See Top 100 in Books) #127 inÃ Â Books > Arts & Photography > Graphic Design > Clip Art #519 inÃ Â Books > Reference > Encyclopedias & Subject Guides > Art #940 inÃ Â Books > Politics & Social Sciences > Social Sciences > Customs & Traditions

Customer Reviews

im on the fence about this one...it has lots of artwork, but hte art on the disk are clearly scans, and not even great ones- they didnt bother to use descreen filers. this is also a very old product, and there were 3-4 corrupted files on the disc, which took some work to figure out exactly which ones.the worst thing however, is that it is simply a picture book- there is no description of ANY of them. i wanted to know why certain animals and elements were used, and i am left to search ou t yet another book like this for satisfaction. know you waht, im giving this a 2, a 3 is too good. update this book NOW.

These Dover book/CD ROMs are a graphic designers delight. It’s so hard to find good quality graphics that are royalty free, and not end up spending a fortune. Dover has a good selection of royal free images that are presented in a book and are on CD ROM.I Run three history groups on MSN and I love to have beautiful pages for people when they visit. The images in the CD ROM is in

full colour and so dazzling. Over 250 large images in TIFF format. Sharp images ready to use. Great for Paint Shop PRO. You don’t have to scan, the images are there. You don’t have to install some program. Just open them from you CR Rom Drive.This is a collection of authentic coat coats of arms of royal families, institutions, guilds, towns, and cities of Europe, perfect for any Medieval Web site, teaching site or history site.Simply worth every penny.

I says high res CD, but they are low res scans where the dpi was raised to 600. The book is better to scan as the images are nice, but small. I would never purchase a product from this book company again.
