Been in Holland several times but never ventured to the south or east And now we know how to get to Andre Rieu’s summer concert in his hometown of Maastrict

Got this to assist me with discussions with a new friend who was born in The Netherlands

What a good map! S one of my ancestors were born there and I can find the exact area where there should be info about the family. So glad you offered it!JET

This was purchased as a gift. The map was of good quality.

Happy to have this resource.

Must have map. saved my rear several times.

Perfect for putting up on our wall as we plan out our trip and putting pins up of places we want to go. Will be perfect to take down later and take with us too!

Great map. As described. Would be nicer if it was made from super durable waterproof material.
