Synopsis

The first colouring book to turn your pictures into animated films. It’s magic!The groundbreaking new colouring book that turns your pictures into animated films. Colour in the pictures, take photos using the free Blink Book app and create your very own animated films based on your drawings ... it’s as easy as colour, snap, app! In this fun and exciting colouring book, colour in 16 pictures, create 16 animated episodes and make a total of 8 minutes of animated film simply by using the free Blink Book app, available on your smartphone or tablet. As you colour and watch your pictures move, also discover how animals use their colours and markings in surprising ways. Colouring in will never be dull again!

Customer Reviews

We have loved playing with all of the animations and pictures. The app is so easy to use and both of my boys were thrilled to see the drawings come alive. [...] We have already recommended to loads of our friends as the best colouring book we have ever used. -- Reader Review * Lovereading 4 Kids * What a great idea for a colouring book, it’s really motivating my daughter to complete pages so she can see them animated. -- Reader Review * Lovereading 4 Kids * I was blown away when I first saw my creation come to life with the app. -- Reader Review * Lovereading 4 Kids * This new amazing app lets you enjoy some peaceful colouring time the traditional way with pencils and paper and then turns your pictures into little movies! One word: Ma.Gi.Cal. And the best example I have seen of digital and print working together. * Anorak *
