Synopsis

Cicely Mary Barker’s "Flower Fairies" books, published in the first half of the twentieth century, are known and loved around the world. In this book, Jane Laing examines Cicely Mary’s life and character, drawing on her worklists and letters and the recollections of relatives and friends. She evaluates the artist’s style and technique, using reproductions of sketches, watercolour drawings, pastels, book illustrations and devotional paintings, many of which have never been published before.

Customer Reviews

Very nice...Thanks!

Barker’s paintings are beautiful, naturalistic, and sensitively done. This is an exquisite broad collection of her paintings and drawings along with her personal history. Drawings depict her process and the paintings are her most popular along with many less known, fascinating paintings. Wonderful addition for the Cicely Mary Barker fan’s library.

I am an artist and have been a lifelong fan of Cicely Mary Barker’s work. Her drawings are so pure and deceptively simple. I have looked for this book for years, having once seen it in Canada and was delighted to find it on . This book offers an insight into her life and copies of other work she did, other than her famous fairies.

If you appreciate Beatrice Potter, you should not miss Cicely Mary Barker!
