Synopsis

Fortress of Muslim is brief and comprehensive collection of supplications that Muslims may recite on certain occasions/events. This bestselling compilation by Darussalam Publishers has the following in it. Ã¢â ¬Â¢ 267 prayers, supplications and invocations for different daily life occasions, events, and times.Ã¢â ¬Â¢132 chapters with easy to understand language and tone.Ã¢â ¬Â¢Each prayer is written in Arabic script with English transcription, and English translation.Ã¢â ¬Â¢Only texts of Dua with short references to the source. Ã¢â ¬Â¢Portable, easy to understand and memorize content.A complication by Said bin Ali bin Wahaf Al-Qahtani, Fortress of Muslim is an abridged version of his previous works. Here, he chose to mention only the text of Duas (to be recited/remembered) instead of the entire Hadith. The references list has also been shortened to one or two. In other words, this book provides required spiritual support to Muslim brothers and sisters in performing their daily activities.

Of all the ways learning can take place, the careful wording of a believer’s prayer never ceases to amaze me.Most of us reveal a great deal about ourselves through our prayers, one need only listen.Indeed, repetition of our prayers within a single session will often force us to more seriously

consider what we are saying, its meaning, and what it says about us. One need only change the intonation.This book's carefully worded prayers helps everybody keep the balance between that part of our prayers dedicated to seeking relief, and acknowledging the importance of God in both a personal and all encompassing.. (i.e. world about us).. sense.Should we speak without concerning ourselves with the other party & their contribution? Even in conversation between people doing so is rude.I like the careful, simple wording of the prayers in this book, written in recognition of the fact that we cannot impress Him, only give respect that we are allowed a shared experience as a supplicant.(i.e. I am but a short-lived bio-degradable speck of dust, yet I have access to God)My faith, your faith, monotheistic faith,Simple Guy

I absolutely love this book of supplications from the authentic ahadith of Prophet Muhammad '. I believe each and every Muslim should have it. It's very helpful for daily dhikr and duas. It's quite handy to have all Duas at hand in a portable sized book. It can be a great gift to a fellow Muslim brother or sister as well. Moroever, it's very affordable. Alhamdulilah.

A great little spiritual guide filled with great invocations. A few of the contents included are:1. What to Say When Leaving the Home.2. What to Say When Entering the Home.3. What to Say Before Sleeping.4. Invoations in Time of Grief and Worry.5. Invocation for Travelling.6. What to Say to Foil the Devil's Plots.There 132 different Sayings/Invocations in this little book. They are written in Arabic, have a Romanized transliteraion, and the English translation. I carry it with me everywhere I go!

You Cant be without it. Just great. Nice compact size to take with you to use during idle time or when you forget a dua. Alhamdulillah.

Jazakallahu Khair... I had a cousin ask me what was the name of the latest book I was reading...Ma Shaa Allah I actually had this book in my pocket!!! I handed it to my cousin and he was able to begin reading. I will be ordering it for him as a gift. Very Beneficial...May Allah subhanahu wa ta a'ala reward you for sharing such knowledge (with proofs). Ameen

This book is a source of knowledge and prayers. May Allah bless the author.

I've bought and have had about 3-4 copies of this same little book and MaashaALLAH, will say it's

of great benefit, short important duas to help tighten your bond & reliance to your MAKER... This time around I intend to keep this copy for myself, wa ALLAHu Aylum...

It’s a great "soul filling" read...only problem is that the book’s actual size is no more than an average Palm, could have been make bigger but I’m still very much happy with the contentÃƒÂ Ã Å¸Ã â ˆÃ Å’ÃƒÂ Ã Å¸Ã Â•Ã Â
