Synopsis

BARGAIN BOX SETÃ¢â ¬â •THREE GRITTY ACTION-PACKED MEDICAL THRILLERS IN ONE AFFORDABLE PACKAGE - NOT FOR THE SQUEAMISH!Meet RN Gina Mazzio, a feisty, determined, tenacious, and all ballsy Italian ex-Bronxite. Compassionate to most, downright lethal to those who would harm her patients. This is an action-packed, shocking, take-no-prisoners series about the dark rough and tumble side of the medical profession and its adjuncts. Fans of hard-boiled medical thrillers will eat it up ... as will lovers of strong women sleuths, hospital mysteries, and all medical fiction, especially fans of Tess Gerritsen, Carolyn McCray, Eileen Dreyer, Lisa Genova, and Robin Cook.BONE DRY (#1)Carl Chapman, a young man with an excellent prognosis, dies--and Gina knows he shouldn't have. Another patientÃ¢â ¬â„¢s acting weird and desperate; a third, a teen-ager, has actually run away. Gina soon learns CarlÃ¢â ¬â„¢s cancer treatment had gone missing, in fact finds out her patients are being subjected to a form of blackmail so diabolical Hanibal Lecter could have dreamed it up.Ã¢â ¬Â¦ a medical thriller "not for the squeamish."-Publishers Weekly,SIN AND BONE (#2)"Help me quit killing redheads." ThatÃ¢â ¬â„¢s the plea RN Gina Mazzio hears when she gets an anonymous call the night before her wedding. The cops say itÃ¢â ¬â„¢s a crank call. Her fiancÃƒÂ© says sheÃ¢â ¬â„¢s altar-shy. Her fellow workers call her Ã¢â ¬Å“sillyÃ¢â ¬Â•. But GinaÃ¢â ¬â„¢s got a bad feelingÃ¢â ¬Â¦And then it turns out two of her fellow nurses at San FranciscoÃ¢â ¬â„¢s Ridgewood Hospital are missing. Instead of a honeymoon, sheÃ¢â ¬â„¢s plunged into the dark world of the black market trade in human body parts. Need we mention this is not medical suspense for the faint-hearted?BONE PIT (#3)Why does a hospital need bars on the windows? And why is the parking lot empty? As RNs Gina Mazzio and her fiancÃƒÂ© Harry Lucke arrive for their new assignment as travel nurses, they suddenly have the chilling feeling of being about to enter a Stephen King novelÃ¢â ¬â •only in rural Nevada instead of Maine. This adventureÃ¢â ¬â„¢s supposed to be a respite from San Francisco, with its numbing memories of murder and kidnapping, but they seem to have signed up to work at a hospital with no windows on the first floor and barred windows on the second.

Customer Reviews

I enjoyed all three of these books very much. They were for the most part well written and the characters were well designed. The only thing I didn't like was there were several typos or missing words or phrases in each of the novels. Perhaps spell checking is not enough. I will continue to read by these authors.

Nothing heavy. Just good for relaxing. Books 1&2 were awesome. Started #3 then recognized that I read it quite awhile ago. Remembered that it was really good.....actually, the best out of the three.

I read conflicting reviews of this trio of books. I agree one was pretty 'out there' but I enjoyed every minute of reading them. Thanks to the authors for a great time!

Gritty, grizzly, not for the weak of stomach or faint of heart. Unfortunately the stories have a good deal of truth in them.

Each book in this series is a different story and while some facts overlap you could read them in any order.

Run of the mill thrillers, so far

I loved all 3 books and have recommend ed these books to all my kindle friends. The were very well written and exciting

A wonderful mystery from a different perspective. As an RN I usually stay away from medical shows and stories out of frustration but this was a warming story about the things that matter to nurses.. their patients.
