Customer Reviews

Well written with recommendations for tours based on number of days in Frankfurt. It’s a small, compact book but very helpful and up to date. I opened the book after arriving in Germany and without much time to study I still found it useful. Overall a high value low cost item.

Small enough to carry in a pocket and is excellent for a guide book. Hard to find small, single city guide books that are not of big tourist cities. Love it!

Fast shipping and the book was a good reference guide for our trip to Frankfurt. I recommend it as a good pocket guide.

This is a pocket book, so don’t expect alot of information. Suggested intineries looks good. It’s based upon # of days in town.

I was looking for a guide for our half day layover in Frankfurt. This is the only book I could find.You cannot find it on .com you need to go to .co.uk and then search the exact titleon .com. It was small and handy for a short trip.
