Nice Deal

the book had dog ears when it arrived

Very easy to use in Kindle/Ipad form. I would recommend renting this instead of the actual book.

Careful with the ebook version, it doesn't have the handbook included like the printed version. So make sure to check with your professor to see if it is needed.

Book came with a tear on the front cover but the pages were fine. I only needed it for one class

This book came with another book I ordered with absolutely no protection at all! the book I ordered was supposed to be new but looked very much used. HORRIBLE CONDITION. I am very disappointed with this purchase.

I'm renting the eTextbook version of this book and it has all you need. No corners cut. It's the entire book at the lowest price I could find

it is totally new
