Synopsis

With an assortment of readings and perspectives from some of the most respected thinkers of our time, Social Ethics: Morality and Social Policy provides a balanced, engaging introduction to todayÃ¢â ¬â„¢s most pressing social and moral problems. This highly popular anthology illuminates the issues at the heart of each contemporary problem and encourages critical, fair-minded examination of varying viewpointsÃ¢â ¬â ¢all presented in the words of those who embrace them. Helpful editorial features include substantial chapter introductions, a summary preceding each selection, discussion questions, and bibliographies for further reading.

Customer Reviews

Jane S. Zembaty, professor of philosophy at the university of Dayton, specializes in classical Greek philosophy and social ethics. She coedited the first three editions of Biomedical Ethics, and her published work includes articles on Greek philosophy, such as "Plato’s Republic and Greek Morality on Lying" and "Aristotle on Lying."David DeGrazia earned a B.A. from the University of Chicago, an M.St. from Oxford University, and a Ph.D. from Gerogetown University, each in philosophy. He has been teaching philosophy and biomedical ethics at George Washington University since 1989. He is the author of Taking Animals Seriously (Cambridge University Press) and of articles published in such journals as Journal of Medicine and Philosophy, Public Affairs Quarterly, History of Philosophy Quarterly, and Southern Journal of Philosophy.Thomas A. Mappes holds a B.S. in chemistry from the University of Dayton and a Ph.D. in philosophy from Georgetown University. He is professor of

philosophy at Frostburg State University, where he has taught since 1973. He is the coeditor (with Jane S. Zembaty) of Social Ethics: Morality and Social Policy (McGraw-Hill, 4/e, 1992) and his published work appears in journals such as American Philosophical Quarterly and Kennedy Institute of Ethics Journal. In 1985, the Frostburg State University Foundation presented him with the Faculty Achievement Award for Teaching.

This is a really great book. It presents both side of the questions it deals with and give original sources for the arguments both pro and con. I definitely recommend this to anyone interested in social policy.

I thought this was a thorough collection of worthwhile perspectives on various social policies. The book was way too expensive for most readers. But that’s a whole other social policy.

The book came in okay shape. I dont know if the wrinkles in the page came from weathering or from previous usage, other than that the book did the job.

This was a great book. I enjoyed reading throughout it during this spring semester at Durham Technical Community College. I learned different types of ethical problems and situations and issues in our daily lives. This book helped out a lot.

waste of money...all the stories in it are available online so it was just sitting on my shelf all school year...besides that if you don’t have a computer or access to internet its a good buy

Just what I needed. Great book.

great quality, fast shipping

Really good book. The book I rented is new condition
