Synopsis

Join Flo and all the garden friends as they teach Scripture to kids through this new CD series that will provide kids with a fun learning experience. Each CD will be comprised of 10-15 Scripture songs (in stereo) sung by kids and taken directly from Scriptures using ICB, KJV, NKJV, NAS and NCV. Each CD will feature a "missing word" version. As the song repeats, key words will be missing from the vocal in order to help reinforce Scripture memory. For parents who are looking for a tool to help kids learn God’s Word, these Scripture Memory Songs will help kids of all ages learn with ease and fun as only Hermie and his garden friends can! Verses included on this volume: Psalm 33:4-5, Psalm 25:4-5, Eph 4:15a, John 14:6, Eph 4:25, and Prov 4:23-26 as well as others.

This Hermie series is highly recommended for preschoolers and early elementary. Very upbeat, happy, and perky... to the point of being slightly grating to my adult ears... but just the ticket to keep

the little one happy during a long car ride. For older children and adults, try "Seeds Family Worship" albums, which is generally upbeat with occasional slower songs. For a calmer, more reflective music style try "Hidden in My Heart" Scripture Lullabies (good for all ages from 0-100).

Scripture Memory Songs: Verses About Following the Rules (Hermie & Friends)If you and your children love to memorize scripture in an easy fun format, this tool is great...as all the Hermie memory verse CDs. The CDs include a variety of music styles. My grandchildren sing them by heart...and I've learned many verses by heart as well....Who says older adults can't memorize scripture? This series makes putting the word in your heart as easy as singing your favorite song.Scripture Memory Songs: Verses About Christmas (Max Lucado's Hermie & Friends)Scripture Memory Songs: Verses About Praying (Max Lucado's Hermie & Friends)Hermie and Friends "Scripture Memory Songs"

All of the Max Lucado Scripture tapes are great. They are actual scriptures set to music -- not just songs about scriptures. Believe it or not, I use them with my fourth graders to memorize scriptures. They are not at all bothered by Hermie or Wormie or others who talk at the beginning of each song. In fact, they get a kick out of it. So even though these are most likely designed for younger students, they work great with students a little older. My students memorize a scripture every day, and these songs have been very instrumental in helping them. They love the songs and sing them by themselves frequently!
