Synopsis

Gender Through the Prism of Difference adopts a global, transnational perspective on how race,class, and sexual diversity are central to the study of sex and gender. In contrast with other books inthis area--which tend to focus on U.S. or European viewpoints--this wide-ranging anthology featuresmany articles based on research done elsewhere throughout the world. Now in its fifth edition,the book opens with a revised and updated Introduction that sets the stage for understanding genderas a socially constructed experience. Featuring twenty-eight new readings, this edition coverscompelling subjects like transgendered people, intersex issues, men and masculinity, sexual andgender violence, disabilities, obesity, reproductive technologies, educational testing, aging andageism, and Occupy Wall Street.

Customer Reviews

"Gender Through the Prism of Difference offers a wonderful global perspective on the interconnectedness of gender and race. It does a good job of bringing together major thinkers in the field of the sociology of gender while also including those outside of sociology/academia."--Maura Ryan, Georgia State University"I love the intersectional and institutional focus. I also like the diversity of voices represented, both in terms of demographics and experience."--Amanda Moras, Sacred Heart University

Maxine Baca Zinn is Professor Emerita of Sociology at Michigan State University.Pierrette

Hondagneu-Sotelo is Professor and Associate Director of the Center for the Study ofImmigrant Integration at the University of Southern California.Michael A. Messner is Professor of Sociology and Gender Studies at the University of Southern California.Amy M. Denissen is Associate Professor of Sociology at California State University-Northridge.

Textbook for Gender Studies class. Kinda boring book to read though.

Great book and received it before my classes began. Will definitely be back.

good condition
