Synopsis

THE GENTLEMAN MENTOR is a standalone romance novel from New York Times, Wall Street Journal, and USA Today bestselling author Kendall Ryan. It was named a GoodReads Best New Romance with more than 1,700 five-star reviews. SheÃ¢â ¬â„¢s a client. ThatÃ¢â ¬â„¢s all. Or it should be. But with every lesson, sheÃ¢â ¬â„¢s becoming more. The secrets IÃ¢â ¬â„¢m hiding behind the image of the Gentleman Mentor make telling her the truthÃ¢â ¬â •and having anything realÃ¢â ¬â •impossible. IÃ¢â ¬â„¢m training her for another man, and that fact guts me every time I think of it. I know sheÃ¢â ¬â„¢s not mine Ã¢â ¬Â¦ but part of me wonÃ¢â ¬â„¢t accept that. Am I willing to risk it all to keep her? He calls himself the Gentleman Mentor. Just reading his ad makes me feel more alive than I have in years. He promises to teach me the art of seduction Ã¢â ¬Â¦ and show me the most sinfully erotic pleasures. HeÃ¢â ¬â„¢s going to help me become the kind of confident, sexy woman men canÃ¢â ¬â„¢t ignore.Six lessons Ã¢â ¬Â¦ with the most gorgeous man Ã¢â ¬Â¦ who happens to be a Dom. The only problem Ã¢â ¬Â¦ now that IÃ¢â ¬â„¢ve experienced his brand of delectable domination will anyone else ever compare? THE GENTLEMAN MENTOR is a full-length standalone novel.

Customer Reviews

WHAT THE WHAT? THIS WAS PURE DELICIOUSNESS!I had high hopes for this book. When I read the blurb I was sold. But truth be told, I can be a picky reader. Most times a blurb will sell me on a novel and then I'll go to read it and be left underwhelmed at best. It happens more often that not. That was NOT the case with this. God, I'm still buzzing. I can actually feel myself tingling just writing this review.I can't even explain it, to say that I enjoyed it wouldn't even come close.I LOVED THIS BOOK.O.M.G. I REALLY, REALLY, REALLY LOVED THIS BOOK.It was sinfully sexy. A 10++++ on the NUCLEAR, HEAT-O-METER, but even with all that sizzle it was surprisingly heart felt and sweet. It's like the author didn't just give us a smut but put some serious soul behind it. It was MORE than decadent and pulse pounding. It was so flipping enjoyable.I almost want to take my kindle, stand on my little podium and SCREAM, "THIS, READ THIS. THIS. THIS. THIS. JUST THIS. OMG. BOOK GOLD PEOPLE."I'm seriously high on this book.Woo... basically you don't need to know more than the blurb. You just need to go ONE CLICK and READ. Trust me, you're gonna feel so good once you finish. Hale is tasty Dom Perfection.And for those of you who may think that you don't like BDSM, rest assure that this is LIGHT. It's not intense, not brutal. Hale is a gentlemen through and through. GOD. He makes me smile so wide my cheeks actually hurt. I am in love.GO READ. There is only yumminess to be had in this epic book! I cannot wait for more!

I loved the overall premise of the story, with Brielle reaching out to the Gentleman Mentor because she needs help with ramping up her sexual image and experience so she can attract the attention of her best male friend Kirby in order to move out of the friend zone. Hale, the Gentleman Mentor, is a Dom and while Brielle doesn't see her submissive nature, Hale most certainly does. Their arrangement benefits the both of them, Brielle will learn to be a seductress and Hale can mentor only long enough to avoid forming any attachment. At least he plans to do that for Brielle's benefit, it is certainly not his intent to fall for her or anyone. They had fantastic chemistry. I could see the transformation in Brielle from someone who is shy and insecure to someone more confident and aware with each encounter. I liked both Hale and Brielle. Even though Hale has a dominant nature, it never came off as overbearing, and at times, he seemed a lot gentler than I expected. He also became emotionally invested a lot faster than I had anticipated, too, even if he wasn't showing it to Brielle, but she could feel it. Will Brielle use her new skill set to attract her friend or does she and

Hale have something worth pursuing? Would Hale let Brielle into his life when he has already sworn that he wouldn't with another woman? Although the story didn't feel fast paced, it does move fast based on the timeline. Good read overall.

When I first read the synopsis for Kendall Ryan's The Gentleman Mentor I was so intrigued. I wanted to snatch the book and dive in, orrrrrrr maybe contact him myself ;) And after having the privilege of reading the book early I still feel the exact same way! Damn fictional characters!We have a sweet, sexually frustrated young woman who underestimates the power of her own sexuality. When she decides to take matters in her own hands and gather the skills she feels she is lacking to get the attention of the man she has been secretly in love with for 5 years she decides to answer an ad for - The Gentleman Mentor. From the very start the conversations push the limits of her comfort, yet excite her.The two have an immediate connection and the chemistry between them is explosive. Yet there are secrets that surround them by the very nature of the relationship they have set up.. that of student and teacher. Their arrangement is supposed to be for The Gentleman Mentor to teach her seduction techniques. Will their relationship stay here? Or is there truly more between them? Or will their real lives interfere and keep them apart?I loved every inch of this book. I thought it was a very different story-line that had me hooked right away and never let me go. It was steamy and romantic but also had a great message of discovering yourself and your self worth. Many of us have been in that place where we don't recognize just how wonderful we truly are. Now we don't all answer a newspaper ad to have some sexy god help us discover what is hiding right in plain sight, but we can recognize and identify with those feelings.I definitely recommend this book. This is one you will want to snuggle down and get right in to!I received a complimentary copy in exchange for an honest review.

I have to say that i had really enjoyed this reading the gentleman mentor it was a really good book i like how all the characters were very well written but i must say that when cameron first meet Brielle he had liked her from the moment he laid eyes on her. But considering his past relationship on how hurt he was he was forcing himself on not to fall in love with anybody but as you can see that didn't quite work out as he thought it would because he ended up falling in love in the end. And as for Brielle she was just looking for love her self in a different way because the person that she thought she was going to be didn't quite see her that way he only saw her as a friend but i think that once she really knew the truth about who kurby was and how he felt about her her feelings was truly hurt but i can say that after everything that Brielle had been through in a strange way with her meet

cameron it only made her stronger in the end and it made her realize who she really had feelings for but other than that it was a good book.
