Customer Reviews

Mr. Tursi has assembled in these pages tales stretching back to the genesis of the shorthand form for capturing spoken thought for the ages in the days of the Roman Senate. He details the creative geniuses who created and mastered more recent pen shorthand techniques, and highlights some of the momentous historical events captured thereby. And as an official federal court reporter (and speed record holder, 5-minute legal opinion, 300 wpm, 1981) with over 50 years in the business, he brings his unique vantage point to relaying the stories of the stenotype machine revolution and the innovators and masters of his astounding instrument.This work is a must-own for anyone who works

in the shorthand arena and anyone who has ever worked with a shorthand reporter and been mystified by the wizardry of their craft.
