Synopsis

Daniel Byrne is haunted by the future. Literally.It happened to his uncle. It happened to the woman he loves. And now itÃ¢â ¬â„¢s happening to him.It started as a voice only he could hear. Then he found himself visiting another world. A world both familiar and strange. A world inextricably linked to our own.And the things he sees there, come trueÃ¢â ¬Â¦here. ItÃ¢â ¬â„¢s a power others are willing to kill for.ThereÃ¢â ¬â„¢s no one Daniel can trust. Nowhere to hide. Chased across the globe by mysterious assassins, he struggles to decipher the visions plaguing him. Visions of miracles and massacres, conspiracy and catastrophe. And behind it all, a powerful adversary the likes of which weÃ¢â ¬â„¢ve never seen before.One thing thatÃ¢â ¬â„¢s clear: the universe is warning him of a cataclysmic change, an event that is either a bloody Armageddon or a shining new beginning. Daniel thinks he can see the answerÃ¢â ¬â •and maybe even change the outcome, before itÃ¢â ¬â„¢s too late.But thereÃ¢â ¬â„¢s a fine line between messiah and madman.

Customer Reviews

New Orleans, LA. 2601 General Pershing St. Daniel Byrne climbed out the window several stories up & headed downward to the St. below.London, England. Dr. Kara SinghÃƒÂ¢Ã â ¬Ã â„¢s flat had been burned to the ground.Conrad WinterÃƒÂ¢Ã â ¬Ã â„¢s bunch had been the pyromaniacs.Kara had struggled with voices in her head & visons for quite a while.The late Reverend Tim Trinity (DanielÃƒÂ¢Ã â ¬Ã â„¢s uncle) television evangelist sermons became known as the Trinity Phenomenon.Julia Rothman had gotten her book The Truth (So Far) about Trinity published.There were several other cases Anomalous Information Transfer (AIT) like KaraÃƒÂ¢Ã â ¬Ã â„¢s.A encyclopedia salesman in New Orleans, LA., a farmerÃƒÂ¢Ã â ¬Ã â„¢s wife in Germany, & an unemployed bicycle mechanic in Tokyo.The Fleur-de-Lis Foundation was also researching the phenomenon.Carter Ames (director) wasnÃƒÂ¢Ã â ¬Ã â„¢t about the let the cat out of the bag per-say.Greenwich Village, NYC.What happened to Conrad Winter (Council for World Peace)?What news did Kara have for Daniel?Warning: This book is for adults only & contains violent or graphic adult content or profanity &/or sexually explicit scenarios. It may be offensive to some readers.I did not receive any type of compensation for reading & reviewing this book. While I receive free books from publishers & authors, I am under no obligation to write a positive review. Only an honest one.A very awesome book cover, great font & writing style. A very well written paranormal book. It was very easy for me to read/follow from start/finish & never a dull moment. There were no grammar/typo errors, nor any repetitive or out of line sequence sentences. Lots of exciting scenarios, with several twists/turns & a great set of unique characters to keep track of. This could also make another great paranormal movie, or better yet a mini TV series. It was just OK for me so I will rate it at 4/5 stars.Thank you for the free author; Goodreads; MakingConnections; Thomas & Mercer; Digital Services LLC.; bookTony Parsons MSW (Washburn)

Great trilogy - great story - I enjoyed every minute I spent with the characters and with the amazing entertaining plot. I wish it could have gone on a little longer.

Still would like to se Daniel when he was a priest working on church secrets. As a catholic look forward to Church intrigue. Keep the character going.

I’ve been waiting (too long!) to see what would happen to Daniel Byrne (the fantastic hero of THE TRINITY GAME, THE DEVIL’S GAME and, now, THE SAVIOR’S GAME) and author Chercover totally delivers! Whoa! What an incredible story arc from Daniel, who is a priest at the beginning of the first book and whose transformation, in the two books since, is nothing short of mind-blowing.

The speculative aspects of the new book, in particular, will be sending me back almost immediately for a re-reading--it's wild stuff--but what I like is that even the wildest aspects feel grounded. Daniel takes quite a thrilling journey--here he's charged with nothing less than saving the world!--and yet remains recognizably the funny, tough, how-can-this-be-happening? hero we fell in love with in the first two books.

I am a huge Sean Chercover fan. I rated his first four books 5 stars. Big City Bad Blood and Trigger City are exceptional Private Eye novels. Then, in the first installment of Chercover's Daniel Byrne Trilogy, The Trinity Game puts its hooks into you and pulls you into Daniel's life as he copes with mayhem and personal struggles. There is mystery, suspense, intrigue, conspiracy, chases, voodoo, mercenaries, and priests. It's a mashup that is truly a joy to read. The Devil's Game follows, and takes Daniel deeper into investigating the mystery at the heart of The Trinity Game. This is an intense thriller, but it's more than that. We come to know Daniel better, and we make friends and enemies of the cast that crosses over from the first book to the next. The Devil's Game is exciting, fast paced, and has a cliff hanger ending that had me waiting a long time for the publication of The Savior's Game. While I waited, I re-read the Trinity Game and The Devil's Game, enjoying them just as much the second time around. Now comes The Savior's Game. Chercover has taken the cast of the previous two books in the trilogy, uprooted them, and dropped them into a bad episode of The Twilight Zone. The writing is still top notch. But Chercover seems to have lost his way, leaving Daniel and company flailing about wildly in an alternate universe. This is a wholly unsatisfying conclusion to what was a brilliant trilogy.
