High-quality presentation, authoritative content,sound topic sequence, an abundance of illustrations, involving pedagogy, real-world examples, and appropriate readability are hallmarks of Goodheart-Willcox products.

This book is out of date but was still interesting and well written.

Great text book

Only got this for school. Good info but if it wasn’t for school I probably would have never chosen it.

Old technology covered, so no longer relevant in today’s fast paced tech environment.

good

Dry!

It meet my expectations

Picked this book up for a class. It covers a lot of information by avoiding details. It is poorly categorized which makes it difficult to take organized notes from.
