Synopsis

'Forms of Energy' explores the different types of energy that are around us all the time. You will discover how energy can be moving or stored. You will learn what causes sound, heat, and light energy. You will also find out how different sources of energy can be turned into electricity to power our machines and gadgets. So come on a fantastic journey into the world of forms of energy! Sci-Hi is an engaging, comprehensive, and visually stimulating series that takes learning science core curriculum to a whole new level.
