Even without pictures, this book was tremendously helpful. Tokyo Disney Resort is so different from land, world, or Paris- this book saved us hassle, confusion, and time. Each ride is outlined and compared to its counterpart in land or world, which is really helpful if (like us) you are trying to prioritize rides or experiences that are uniquely Tokyo Disney Resort. We even brought it with us and read it while waiting in the insanely long lines in the TDR parks. Highly recommend.

This is the second Traveler's Series Guide to Tokyo Disneyland I have purchased. The first one is very marked up from our trip to Tokyo Disney Resort last year, and since we are going again, we wanted to get the most recent information. This book is invaluable in helping you plan a trip to the Disney Resorts (or just if you are dreaming of going there).

Great book, helped to familiarise ourselves with Tokyo Disney and DisneySea before we arrived, so we knew which rides to head to first, as the crowds were unbelievable. Has lots of information from arriving at airport, to hotel recommendations, plus the parks. Highly recommend for anyone planning a trip to Tokyo Disneyland.

Not a single map in the whole book. Very hard to use it to plan a trip when you can't reference where things are. Good descriptions of the attractions though.

Really great book, answered a lot of questions. Only wish it had a few photos but that's a small quibble

Lots of great information re Disneyland Tokyo. Definitely glad bought so can make best use of limited time at park.

This as an amazing insightful book that even discussed customs one must be aware of when traveling to Japan.

Very informative and complete...made my trip much more enjoyable and less stressful
