Customer Reviews

I purchased this as a pianist, not a vocalist, looking to expand my opera accompanist rep. This score is a GREAT and inexpensive way to help that. The notes are all very easy to read - I haven't experienced what other reviewers are mentioning "hard to read", at least on the notes portion. Due to the physical dimensions of the score, the shrunken down music does make the libretto occasionally difficult to discern, however the staves and notes are very clear, which is what I was after. Very pleased with this purchase!

The score was cheaply produced. It contains the music which is what I needed! But it is quite hard to read.

Printing quality is not always goid, but the binding allows for the score to lay flat on the stand and for easy page turning.

As promised, many thanks!
