Customer Reviews

I prefer a handbook dictionary than to search online. A version of this book has been with me for the last 20 years. My old one is in storage so I bought another. Definitely handy.

Good resource

good book but not as complete as I would have liked. Glad I have it but wish was a bit more complete (more word choices).

Good dictionary for general insurance terms. Comes in quite handy. Recommend.

Excellent. Very helpful explanations.

I have the entire series and recommend them for any business person's office library. I find them very useful in my practice.

I order this for a friend who is new to business insurance. I have a the fourth version and use it regularly.

Great product
