Customer Reviews

My daughter loves this.

I grew up watching The Wizard if Oz every year with my family, so I really enjoy playing these songs and my kids like them too. The songs are very easy to play if you have any recorder experience, if not they have a note chart in the front of the book.

Only came with the book no red recorder but my daughter enjoys the book and is getting a pink recorder with cleaner (march-17-2016). But otherwise great book !

nice

Good for children. Not really useful for me.
