This Bible seemed like a perfect match for my eight year old granddaughter. It is beautiful and the quality is great. The problem is the size of the font. To allow space for the journal area, the print is almost just to small to read. As much as I wish I didn't have to ,I plan to return this Bible and look for one with larger print.

I start my journaling class this week and this bible is perfect. It's compact, cute, and the pages are thick enough to withstand the abuse I am about to inflict upon it. Great buy!

Bought this for my 13 year old for Christmas! She LOVES and has already done a few Journaling entries in it. We have found some great ideas on Pinterest. What a great way to get our teens

reading their Bibles and excited to dig into God’s Word!!!

Object is as described! Very nice.

Great!

I was really pleased to find a journaling Bible for younger girls. The only complaint is that the pages are super thin. We really have to be careful when journaling not to tear the pages. Other than that all is great!

Great Bible for my 6 year old. She seems to really enjoy taking it with her to church and reading it as well.

My daughter loves it perfect fit exactly what she wanted
