addition to his own animated short, Atomic Love. The author lives in Santa Monica, CA.

The only thing making me unsure about the book is how rushed the art looks. I understand the book went through a delay and artist change? Koh drew stunning layouts and action but it's not as refined as I would have expected baaed on previous Avatar comics. Wonder if there was a stumble in the production. Hmmm...

absolutely loved the show, so happy that they're going to be continueing it with these comics. Beautiful artwork and set up to be a great story

A great new direction for the avatar series full of support and just an amazing story!! I highly recommend this for any avatar fan!

I'm a fan, so obviously I gave it 5 stars lol.I really like how this add LGBT matter in the story, made it more relatable.I would continue support this comic, and will buy Aang's comic as well!

I LOVE IT.

Absolutely stunning! Art work was incredible and story intriguing. Legend of Korra fans will love this (-: already preordered the next installment
