Synopsis

Written from a paralegal perspective, this book uses plain English and an upbeat tone to keep readers engaged in the ethics of the legal profession. Ã Â Its unique approach focuses on researching oneÃ¢â ¬â„¢s own state laws and codesÃ¢â ¬â œand applying those to cases, collaborative assignments and hypothetical situations in the text. This edition features chapter-by-chapter updates, In the News articles, and video case studies designed to spark class discussion. With its lively narrative and state-specific approach, it tackles important ethical issues and shows how to research possible courses of action.Ã Â Ã Â

Customer Reviews

Written by a leading authority in the field of paralegal ethics, Ethics for the Legal Professional sets the standard for professional responsibility textbooks. The seventh edition has been reorganized to reflect changes in the paralegal profession and to improve the flow of material to enhance student understanding. Many new exercises and applications reinforce and apply concepts to real world situations and new integrated video case studies help bring the real world into the classroom. Ã Â Ã Â Paralegal Professional Ethics Classroom Video Series on DVD This series contains 24 scenarios written by the author that present common ethical situations paralegals will encounter on the job. Teaching notes are provided in the InstructorÃ¢â ¬â„¢s Manual for each video. These videos are provided free of charge to adopters of the 7th Edition. Ã Â New! Companion Website Go to www.prenhall.com/orlik for state specific resources, links to online resources,Ã Â practice quizzes, and the video case studies presented in the text. Ã Â New! CourseConnect Online

Ethics for the Legal Professional Course This online course features robust online course content delivered in most distance learning platforms. For more information contact your sales representative or call 800-635-1579.

This book doesn’t bore you with endless definition. It is like the author is talking to you... not like in a lecture, but like she is having a one-on-one conversation. It makes these very detailed concepts easy to understand and apply. I love the cases at the end of the chapter. You read the chapter and then read the cases and you are like, "OH!!!! THAT is what she was talking about.. very cleaver there!" I love it. Definitely 5 stars!!!

This book was used as a text book for one of my paralegal classes. I found it to be a marvelous reference. It is well written and easy to understand. This is a book that you will want to keep in your law library.

It’s ethics. What more can I say? It’s required information, and the content was okay. Referenced a lot of cases that you would have to look up on your own and had a decent amount of cases to reference within the text. Couldn’t use the online companion site so that’s an issue.

The book gave a lot of scenarios and cases related to a specific ethical view. It was a required book and if I didn’t have to read it I wouldn’t.

I purchased this book for my last class for my BA in legal studies, it met my every expectation and is one that I will keep for my library.

I like the book really well and it’s just what I needed for my classes this semester. The book is in great condition.

cheap, future law studies

I got the book really fast, in good condition. I haven’t had a chance to read it yet because we cover different material in class, for now.
