Customer Reviews

Author Dyfed Lloyd Evans has written a comprehensive Scottish cookbook called Classic Scottish Recipes. Evans starts his cookbook with a brief history of Scotland and later moves onto to include

a vast, well-written collection of Scottish recipes. You will find an interactive table of contents making navigation easy in this large cookbook. The recipes you will find range from appetizers to main courses and everything in-between. You will find plenty of sweet recipes to balance out the savory recipes. Almost all of the recipes have informative introductions telling a bit of the history or other related information concerning the recipe to follow.Some of the recipes you will find in his cookbook include:Scotch WoodcockHam and Haddie PieChicken Bonnie Prince CharlieHaggisSweet Mutton Hotpot with DumplingsHighland Venison Casserole with ChestnutsRedcurrant and Raspberry Fruit RollBarley PuddingScottish Parliament Cakes (a biscuit aka cookie)Parkin BiscuitsShetland ShortbreadNote: The author did convert most of the measurements in his cookbook, but some of the recipes may need to be weighed as the author did not include the cups-and-spoons measurements. He listed the weight i.e. 2 ounces of butter instead of 2 tablespoons for example.Recommend.Penmouse

I purchased this book for my daughter for a school report on Scotland. One of the topics she had to research was Scottish food. The book is very inclusive with tons of classic Scottish/British recipes. It also includes some general information about Scotland, which was a nice surprise. We're looking forward to trying some of the recipes and I'm glad that we'll be able to use the book well beyond my daughter's report.

Has all the great ones

I don't typically buy e-books over traditional ones, but I'm very happy that i picked this one up. This book is fantastic for anyone looking for a good starting point on Scottish cuisine. Well worth the money.

Interesting recipes!!
