Synopsis

Song and dance are at the very center of any nationÃ¢â ¬â„¢s culture and are said to represent the innermost character of a people. The whirling, dashing, and spinning of the classic Scottish reels are no exception. Here, Roddy Martine and Andrew Campbell provide a lighthearted guide to the basic steps of Scottish reels and country dances, all broken down into bullet points and illustrated with easy-to-follow diagrams. With further, indispensable hints on the social niceties of reeling, the conventions of the dance, and the timetable of the Scottish social season, The Swinging Sporran is a hilarious companion to anyone who ventures into the social world north of the border.
