Nancy J. Martin has written more than 40 books on quiltmaking. She is the founder and president of Martingale & Company(TM), where imprint, That Patchwork Place(R), is widely recognized as the foremost publisher in the quiltmaking industry.

This never-ending timetable with a dominant part of pieced designs for revolving cutting will please any quilter. Motivation for new ventures, Block of the Month, and only a flawless place to rest your eyes. The paper and winding are great quality and should last numerous years.

I just love this calendar. I purchased it whilst visiting the Paducah quilt show a few years ago. One of my Dachie pups knocked it off the coffee table a few weeks ago and proceeded to chew it in a million pieces. I just had to replace it. Thanks for finding it for me. I have put it in a higher spot now.

I really like the variety of patterns to choose from: applique, paper pieced, and pieced block.

Patterns are listed alphabetically by block name, month and date, and gives the finished block size. It provides helpful cutting, sewing, and assembly instructions, too. I love it.

The price !

This is wonderful. All the blocks you will ever need and a perpetual calendar as well.The item arrived in double quick time, so quickly in fact that I was surprised to receive it so soon.Well done !!!

Quick reference and distraction at work! This makes a great gift for the quilter or wanna be quilter or crafter who's just starting.

This little book is such a great resource. It's very handy to have so many blocks, in so many sizes. The instructions are easy to understand.

I gave this quilt-block-a-day calendar to a friend who is an experienced quilter and she was delighted to get it. A quick flip through the pages gave her new ideas.
