Synopsis

The Importance of Being Earnest, A Trivial Comedy for Serious People is a play by Oscar Wilde. First performed in 1895, the play is a satire of Victorian culture and social obligations. This play is witty and funny and is the most popular and enduring of Oscar Wilde's plays. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions. We hope youÃ¢â ¬â„¢ll share this book with your friends, neighbors and colleagues and canÃ¢â ¬â„¢t wait to hear what you have to say about it.Xist Publishing is a digital-first publisher. Customer Reviews

Must- Read. A great book for high-school or above with great philosophy and moral storytelling.

Deep and intriguing the entire time.

This is my second-favorite play EVAR. I can’t get enough of it. I’m glad these are so cheap; my last couple copes have fallen apart from rereading and character studies and notes everywhere.

This book has a good story but it is written as a play. I didn’t know that and I found it distracting.

The beauty of theater is that interpretation of the lines is up to the individual actor and director. Change in inflection can totally change the meaning of a line, which changes how its response, which changes.....Having seen many diverse productions of the play, I didn’t always agree with Mr. Osborne’s interpretation of how the lines should be said, nor was I sure that Mr. Wilde would have either.That said, I have friends that had never seen the play or were unfamiliar with reading scripts that far preferred the novel format.

I really enjoyed this play. We started reading it in class and then I just couldn’t stop so I purchased it.

Very much like something you’d see in a 1920’s Soap-Opera if they had been available in that time period..

I had read this play before and watched a film version of it and enjoyed it just as much as previously. Reading the book version prepared me quite well for watching the film version as I exercised since the accents of the actors are quite heavy. This witty jab at the "upper crust" makes one wonder how many more little jewels Oscar Wilde might have produced if he had not been prosecuted and imprisoned for being who he was.

This is an enjoyable story to read as well as a relaxing play, if you have the opportunity to see it at a local high school or community playhouse. It is the story of two friends who both have their own fictitious ÃƒÂ¢Ã â ¬Ã ËœfriendÃƒÂ¢Ã â ¬Ã â„¢ that provides a good excuse if they want to evade obligations. Of course, there are two women who get caught up in the fictitious names; but in the end, they all live happily ever after.
