Customer Reviews

Required textbook for my Family Law course. The text is fairly thick. A little intimidating to read, however, it is very informative and the summaries of the cases cited are easy to read and follow. I bough this text brand new. It was not that much more than a used or rented fee, and I do not care for the e-book. I like good old fashioned books.

It’s really basic but it’s perfect for someone starting out. Rented this for a Family Law Paralegal Course but ended up purchasing it for reference.

Delivered on time, great condition! Great read! Put it to use right away!
