The Far Side was syndicated in more than 1,900 daily newspapers from 1980 to 1995, when Gary Larson retired. During its run, the cartoon spawned 22 books from AMP, which were translated into a total of 17 different languages. For his work with The Far Side, Larson was awarded the Reuben Award for Outstanding Cartoonist from the National Cartoonists Society in 1991 and 1994. The group also named The Far Side Best Syndicated Panel in both 1985 and 1987.

I love the Far Side Gallery (FSG) and would give 5 stars if there was not so many duplicated cartoons from FSG I and FSG II. This was VERY frustrating... If you want to buy FSG, buy a single one...

Gary Larson still brings the laughter with his sense unusual sense of humor!!! Love this book!!!

The Far Side was a classic comic strip. Reading this book never gets old. I like using these comics in presentations to illustrate various points with humor.

These are great books!

Far Side never disappoints. I've seen all these cartoons before, when they first came out, but like old friends,you never tire of them. Gary Larson, get busy! It's time for the cow's grandchildren to descend on the pasture.

The book is another great addition to my Larson collection.

The Far Side was always one of my favorite cartoons! I bought all three volumes and it was worth it! Great stuff! I just wish Larson would come out of retirement for a while! It's a pity I can't give it more than five stars!

Awesome!!
