"An entertaining gateway into the new game universe."--IGN "One of the best DC comics to not only come out this week, but since the start of 2013."--AIN'T IT COOL NEWS

TOM TAYLOR is the creator of the Aurealis-Award Winning graphic novel series THE DEEP (which tells the adventures of a multiethnic family of underwater explorers who live on a submarine). THE DEEP has been optioned by Technicolor to be turned into a 26 episode CG animated series. He is

perhaps best known for the best-selling DC Comics series, INJUSTICE: GODS AMONG US, and his many Star Wars series, which include STAR WARS: INVASION and STAR WARS: BLOOD TIES (which won the 2012 Stan Lee Excelsior Award). Taylor has written for DC Comics, Dark Horse Comics, IDW Publishing, Wildstorm, 2000 AD and Gestalt Comics.

My only regret with this series is that I didn't pick it up when the game came out. Not only is it not a cheap tie-in for the video game, but it far exceeds the story telling found within that piece (which was pretty fun, but short on detail). If you love these characters, or are just getting introduced to them, this piece will provide you with great laughs, heart pounding suspense, and top-notch character interaction.

It blew my mind how much I loved this comic, I picked it up because I liked the game, but once I did I could not put it down. Superman is a great villain that you just love to hate, and Batman the perfect hero. The women heroes really shine in the comic book Wonder Woman is just as bad and worse than superman, and the he heroes I never cared about before I've come to love like Black Canary, (and not so much heroes) Harley Quinn and Catwoman really shine in this comic.

Sweet god, I watched all the animated clips for the game. Thought it was a great story. But the comics... holy brother, the comics just rocked my world. While I'm not a big fan of the art style - too cartoon-ish for me - the story is just insanely good. This is, by far, my favorite arc in the DC universe.

What I have read has been amazing. I am a huge fan of the game and I am reading this leading up to injustice two. Makes me love the series even more.

I have been reading DC comics for years now and Justice League has always been in my monthly folder. Tom Taylor perfectly captures the team in its most recognizable form. This book is an exciting title that makes me truly sorry he is only writing this as a lead up to the game. I would very happily follow this title as a main stream book.

I own the individual comics of Injustice and I purchased the volumes to read whenever as not to ruin my first print copies. That said, Injustice: Gods Among Us series is a very...very good read. You'll experience many different emotions throughout and become excited then angry and so on. It is

great for collectors, if you enjoy comics, looking for something new. Highly recommended!

Epic. A must read. I have been reading and collecting comics (mostly Marvel) since the mid-80's and I cannot recomend this highly enough.

Very VERY good series. Honestly the story gets more and more crazy as it goes on, and I love almost every minute of it. The writers do a great job of throwing basically every character from the DC Universe into this battle between Batman and Superman.
