Synopsis

This, the thirteenth book in the Ã¢â ¬Å“Officers and SoldiersÃ¢â ¬Â• collection, shows the French Army during the Phoney War and the French Campaign in May-June 1940. Continuing the work Ã¢â ¬â œ started two years ago by AndrÃƒÂ© Jouineau in the two volumes dealing with the 1914-1918 armies Ã¢â ¬â œ given over to an almost exhaustive survey of French Army uniforms and outfits during the two World Wars, this volume shows almost sixty color plates with no less than 300 uniforms, several dozen insignia and equipment illustrations.Particular attention has been paid to the description of the combat groups and the servants of the unit weapons.AndrÃƒÂ© Jouineau, figurines maker and collector, has worked with Histoire & Collections for more than 16 years. His uniforms plates, which have been fully carried out using data processing, have made him a pioneer in this field.

Customer Reviews

Since the seventies, Andre Jouineau has dedicated himself to studies in history and uniforms. Regular contributor to various magazines, he was appointed official painter of the Army in 1985 (title kept until 1994). Then, in the mid-nineties, he tackled computer illustration, which allowed "creating" a new uniformology genus.

Absolutely essential information for World War II collections. It’s always good to have images to reinforce the many books providing textual accounts of historical events. A book such as this

provides close-up images, in color, that you wouldn’t ordinarily see in historical, black-and-white action photos. The book provides details of uniforms, ranks, and equipment. It is well-organized.

I needed and wanted to see what these uniforms would beand how they compared to American ones of the sameperiod. I was not disappointed. This album consists ofclear illustrations, virtually no text. A list of ranks wouldhave been a plus, but I found that list elsewhere. Awell-done presentation by type of work assigned tothe troops at the start of WW2.

Fine book on French uniforms that goes beyond Mollo’s uniforms book on WWII. Excellent presentation. A good companion to the WWI book and the 1870s period books also available on

Great color illustrations.

good book ...
