Bought this as a Christmas gift & the recipient loves it. I had worried the print would be too small, but that was not the case.

This was a gift. Is there a way to say - I don't really want to rate a gift I gave. As far as I know, I have

heard this series of crosswords are fun, but I have not used it.

Perfect stocking stuffer. My husband loves crosswords and says that these are some of the best he has found. Not too hard, but not too easy, either.

I received this as a Christmas present and was pleasantly surprised. I too found myself taking it everywhere and working on the puzzles in idle moments. The puzzles had both very easy and difficult clues but most were at least a moderate challenge. I enjoyed it so much I came to to find more!
