Synopsis

The Bible Made Easy for Kids by Dave Strehler is aimed at helping children make sense of the Bible by engaging them in a kid-friendly way to make learning about the Bible fun and interesting, and how it can be applied to their lives. Due to its sheer volume, fine print and writing style, children usually find it difficult to pick up and read a standard version of the Bible. This creative learning tool, read along with the Bible, stimulates kids to discover the exciting connection between Bible stories, their individual lives and God’s plan for each of us. They will find answers to questions about events and characters in the Bible, modern-day explanations for certain Biblical concepts, guides to topical Bible reading and more.Suitable for ages 8 - 12Line drawings and illustration by Laura Tucker.6.75 x 9.63 Inch 378 Pages Line Illustrations Presentation Page for Gift-Giving

This book give Biblical examples and helps one to interject their own life with God. example: David

ask God for help. "what have you asked God for lately"? then it gives verses of others in the Bible asking for different things. I am a pastor,and going to read through this whole book, as yes, even Pastors need to be taught as little children when it comes to God and his Word. As God tells us. "My Thoughts are not your thoughts and my ways are not your ways."

I just received my copy, and although I am NOT disappointed, I bought it with the thought that I was going to be getting a children's Bible. Again I am not disappointed, because I had bought 2 children Bibles already for my kids, but I wanted one with a more simpler explanation of what they were reading. Come to find out that this book does exactly that and in terms that all of us can comprehend and continue to talk about in terms of life today. I truly recommend this book for bible study, and for those that are for the first time born again Christians.

I was working on the fall curriculum for our Children's Church and this book was a real asset.

I would recommend for ages 9 to 11.....the explanations are really simple and interesting, has maps and small drawings. Would have liked to know target age before buying.

Easy to read and understand. Great pictures that really help explain the details.

We are using this as our morning devotion. The kids are loving at, as are the parents!! Makes things so easy for kids to understand and remains Biblical!!

Great book for Sunday School teachers or parents helping children learn the Bible.

It was just what i was looking for it explains the bible in simple terms. For young minds to understand. I love it. Mt kiddos love it. Very good investment.
