Synopsis

Longtime market-leader THE CRIMINAL JUSTICE SYSTEM: POLITICS AND POLICIES, 10/e combines the enduring classics in the development of criminal justice policy with the latest developments from the field--and most recent debates from Congress. Just what my daughter was looking for.

Helped me pass my class and overall was a very informational book. Chapters weren't too long so I wasn't stressed about reading 2 at once.

This is an excellent source for undergraduate students and those who are concerned about the state of our modern criminal justice system. I liked it so much, I kept it for reference after I finished my CJ courses.

Yes!!!! One of my favorite texts to learn from. Arranged by articles but easy to comprehend. It did take almost the full 2 weeks to arrive, so was slightly disappointed by that.

I have to give this book an excellent rating even though I earned a "B" in the study of criminal justice system; no fault of the book..

Great book in good condition

Book was basically brand new, got here fast. Amazing price.
