[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He’s not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!""Ã¢â ¬â • Customer Review "Written in a very simple way but with a profound message for both adults and kids."Ã¢â ¬â • Customer Review "I LOVED it. Lots of repetition to help ’lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"Ã¢â ¬â •ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselvesÃ¢â ¬â •whatever their size."Ã¢â ¬â •ForeWord Clarion Reviews Tags: Bilingual Children’s Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children’s Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

Super adorable book! I bought this for my friend as part of a baby shower gift because instead of cards we had to bring a book. The story line is cute and the pictures are vivid. I think this would be great for children from infancy to 4yrs. Or if you're learning Persian this would be a nice way to get to know a few words. The English translation is right below the Persian writing. The only thing I would suggest is having a hardcover on this instead of the soft cover..it would last longer. I loved this book so much I'm thinking of buying one for myself.

Good quick read for my daughter. Good use of $.99!

adorable book

A great bi-lingual children's book. My son loves it.

4 stars since not totally comfortable with the Persian, but all in all it is a nice book. Haven't tried it on the kids yet.
