This book is great but I gave it three stars because it’s more like a book if you have all of the cast iron pieces. It’s very specific for use with the different cast iron pieces.

This was just what my daughter- in- law wanted. She said the recipes were good for her whole family.

Excellent recipe for chiken, which I have made twice. I would have liked more recipes for the Dutch oven. There were plenty more that looked apealling, but using braisers and other Le Creuset pots. Nice looking book.

Have tried a few recipes which have been great!

great recipes. Fun to try something new with cast iron cookware you might not have used in years.

very limited recipes and most I could find online. Just a junior league cast iron cookbook. I find more interesting recipes online for using this type cookware for free as opposed to the $24.95 price charged for the book.

Great book, I love it - great recepies that we are getting a lot of use out of, plus lots of practical suggestions for how to look after and use different types of Le Creuset cookware.

There are many great recipes! A good idea for someone just starting out using the cast iron cookware.
