Customer Reviews

I used the Second Edition with my High School Catechism Class... I loved it and all the materials

that went with it... Amazing book, mirrors "This Is Our Faith" by Pennock to a degree. The 2013 third edition has added interactive materials and new sections and chapters as well as review questions. Very concise and accurate, carries Nihil Obstat and Imprimatur as well as "The Subcomittee on the Catechism, United States Conference of Catholic Bishops, has found this catechetical text, copyright 2013, to be in conformity with the Catechism of the Catholic Church."

Very informative.

Excellent for discussion and reference

This is an excellent book for high school youth.

We chose this book because it was on the "approved" list, but came to really appreciate it because the students liked it so much. I think they will keep their copies for reference as they continue on their journies.

Good for old folks too. Easy to pick up and read a few pages and learn something too. I like it.

This book was needed for school. It arrived quickly and as described.

This is an excellent reference about the Catholic Faith for teens and young adults.
